

It's like a spa day for your writer

Spots fill up fast – Book yours today!

Stenograph is thrilled to announce that we'll be offering an ultra-convenient, on-site Writer Refresh at the upcoming **British Institute of Verbatim Reporters Awareness Week, 8-12 July, in London!**

Deadline to book is 12 June.

Your writer is a highly specialized device with complex electronic and mechanical components. For this reason, the only authorized service provider for the **Luminex**, Diamante, and Wave writing machines is the Stenograph Service Team, which uses only new and original parts and materials for service.

What's included in the Writer Refresh?*

- General cleanup – Remove old grease, oil, foreign substances
- Lubrication – Both sides of each key lever bearing; each side of the universal bar and numeral bearings, etc.
- Install new universal felt pad and cam shaft
- Load any missing software updates
- Recalibration

How much does the Writer Refresh cost?

- \$449 U.S. (£352)** Luminex Writer Refresh
- \$499 U.S. (£390)** Diamante/Wave Writer Refresh

Bookings are limited, so don't delay or you'll miss out!
